

## **DIVERSITY AND INCLUSION POLICY**

### ***Introduction***

This policy provides a framework to embed and support a diverse workforce and inclusive workplace environment at Foley Wines Limited (FWL).

This policy sets out how FWL will set measurable objectives for achieving diversity and inclusion, and how it will assess its progress towards achieving these objectives. The policy also sets out the diversity and inclusion initiatives FWL currently has in place, together with the initiatives it is currently implementing.

### ***Objective***

FWL is committed to achieving a diverse workforce and inclusive workplace environment in order to leverage the business benefits of diversity and inclusion.

FWL recognises that a diverse workforce, where each employee brings their own unique skills, background and knowledge to their work, is a key competitive advantage. FWL also recognises that an inclusive workplace environment leads to higher employee engagement, which ultimately results in more innovative work behaviour, better decision making and increased productivity and performance.

FWL's commitment to diversity and inclusion extends to all aspects of its business, including:

- appointment of directors;
- appointment and retention of employees;
- performance management and remuneration;
- flexible workplace practices and work-life balance;
- leadership development; and
- people management and succession planning.

### ***Application***

This policy applies to all directors and all employees (including secondees, contractors and consultants) of FWL.

### ***Measurable objectives***

FWL's Board will set measurable objectives for achieving diversity and inclusion and will assess FWL's progress towards achieving the measurable objectives annually.

FWL is currently implementing the following diversity and inclusion initiatives:

- Establishing an education programme for employees on different diversity and inclusion topics, including unconscious bias, bullying and harassment, wellness and inclusion in the workplace.
